General information

This guide is designed to help you get ready for what we hope will be the experience of a lifetime, and it has lots of useful and important information. Please read it carefully.

The information is for all students at the Academy, including young people (U18) children (U16) and adults coming to study **English courses** or **higher education programmes**. It provides information on what to do if you are from the UK, the EU or another country. It tells you how to stay safe, follow the law and rules at the Academy.

If you are coming from another country, the information tells you what to do when you arrive at the airport. It gives advice on how to travel around London and tells you about all the free services you can use when you are here. There are also some details on places you can visit while you are staying in London.

If you want more information please visit our website docklandsacademy.co.uk. You can find important information on our website about **courses, fees, how to apply, refund procedures** and **terms & conditions**.

Before you arrive

International students applying for English courses

- If you would like us to meet you at the airport or coach station and take you to your accommodation, you must inform us as soon as you know your arrival details.
- Organise your travel insurance. We recommend that students should get health and travel insurance and insurance against stolen or lost items before leaving.
- Be prepared to adapt to change your lifestyle because the culture, weather and food may be different from in your home country. This may sound obvious, but it is very important to prepare yourself and be patient when you arrive. It may take time to know and understand the English way of life.
- Make sure you bring important documents and information with you including your passport, any certificates from previous courses, address in your country and the UK and details of next of kin (your closest living relatives) for emergencies.

Students applying for higher education programmes

- See our website or call us to make sure you know how to travel to the Academy
- Make sure you bring important documents and information with you on the first day if you plan to enroll in a course, including your passport, your national insurance number, any previous qualifications, proof of employment, proof of your address, details of two referees and details of next of kin (your closest living relatives).

Where is the best place to buy an oyster card?

The easiest place to buy Oyster Cards is at Underground Station ticket offices. To buy an Oyster card in a London Underground Station you pay a **£5 deposit** which is refunded when you return the Oyster card.

Banking

You can only apply for a bank account if you are planning to stay in the UK for more than one year. To open a bank account you will need your passport and a school letter explaining that you are staying for more than a year. To get the letter please ask at reception for the Welfare Officer who will be able to advise and direct you to the closest bank. Alternatively, you can open a current account with banking services like Monese:

Medical care

We strongly advise all students to take out medical and travel insurance cover before coming. Your insurance policy should cover the following:

- medical expenses
- cancellation or shortening of your stay
- personal accident
- baggage, clothing, and personal effects
- loss of money
- travel delay

UK students

If you are new to the area, you must register now with a local doctor's surgery. Do not wait until you become ill.

EEA and Swiss nationals

You should have applied for a European Health Insurance Card (EHIC) prior to arrival here in the UK; this allows you to full NHS treatment. For more information please contact Academic Services.

International students

You will need to register with a doctor on your arrival in the UK. You will hear people referring to this doctor as your GP (General Practitioner). Our **Welfare Officer** will help you to do this. Except in the case of an emergency, you should always see your GP first for your medical issues. However, you will need to pay for medical prescriptions, vaccinations, dental and optical treatment.

Once registered with a doctor, you can also call **111** for 24-hour professional medical advice. For medical emergencies which need immediate treatment you should visit the nearest hospital with an Accident & Emergency (A&E) ward. If the condition is so severe that you cannot travel to the hospital by yourself, then phone **999** to call an ambulance to help you.

The NHS is the UK National Health Service. If you need to see a doctor or dentist while in London, speak to the **Welfare Officer**, who will help with your enquiry. We have a First Aid Box at the Academy. You will need to pay to see a dentist or optician. If you have a serious medical problem or an emergency that cannot wait until the next working day, you have the right to free emergency care and the nearest Accident and Emergency medical services are:

General English Class Information

Our General English classes are popular with students looking for an English course for their needs in all areas of English including speaking, listening, reading, writing, vocabulary and grammar.

When you arrive, you will be given a placement test and an interview to make sure we put you in the right class, with others at the same English level. Teachers follow a textbook for part of the time but also teach lessons for your specific needs. The questions we ask you in tutorials will help the teacher prepare lessons you prefer and need.

We also have our own leisure activity co-ordinator, Paul, who organises regular weekly trips around London landmarks. He also takes students to secret locations you may never have heard of! All trips are free apart from your travel and sometimes an entrance fee for a special exhibition or museum. There are also occasional trips outside of London.
